Last Day for Early Bird Registration -4th November 2025

Dear Authors,

The corresponding authors for each paper should be able to see the reviews and comments for their paper. In addition, please read the below guidelines that accepted/for which the revision is requested and, not for the rejected papers that do not adhere to the scope and standards.

Congratulations! Your submitted paper has been reviewed and accepted for oral presentation at the ICMLBDA 2025.

1. Register (transfer online paper registration fee) for your accepted paper to be presented in the conference by following the instructions of registration available at the c

Registration Details Available at: <https://icmlbda2025.iaasse.org/register.html>. You can see the Paper id of your paper in the submission portal.

Before making any revised submission:

1. **Pls make your paper more mathematically oriented, and it must appear in the title of your paper itself.**
2. Please ensure your paper's Similarity Index is less than 10%. If plagiarism and or tortured phrases are found at any stage until publication, the paper is to be rejected
3. Please strictly follow the Springer Template and revise as per the reviewers' COMMENTS for your paper, which are intended to help you improve your paper before the **post presentation till Dec 30.**
5. For your paper to be published in the conference proceedings, ensure the following checklist before Camera Ready Paper submission: i) Organization of the paper for typographical errors, which may be carefully looked at. iii) Check the Author names, affiliation details, Image & Table quality in the paper. iv) Minimum 12 references are expected. vi) All the comments sent by the reviewer must be incorporated in the final camera-ready version of the manuscript.
6. The tentative publication month of the presented papers is December 2026. No communication should be done in this matter.

Please add preference for your presentation mode using the below form
